Sir:

The Notice of Allowability mailed June 20, 2006 included a statement of reasons for allowance. The reasons for allowance cite particular claim elements as not taught or suggested by the prior art of record. To the extent that the Examiner's reasons for allowance suggest or state that certain limitations or combinations not found in the prior art are present in each and every claim whether or not specific language to that effect is found in every claim, it is noted that "the record as a whole" must be considered as a supplement to the statement of reasons for allowance, and to the extent that the record is clear and complete, it shall control the interpretation of any and all claims.
